RusticClarity Renewal System

Restore your homes original luster.

“Not only are these results astounding, the application process couldn't be easier! I can definitely see myself using RusticClarity on future projects.”

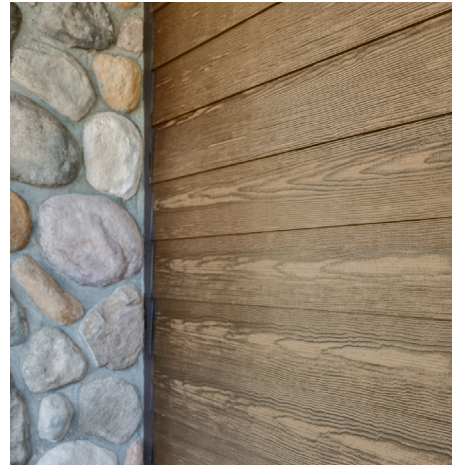

- Barry Cavanaugh
President, Penta Homes

Extend the life of your RusticSeries siding products.

- One coat will have your home looking like new
- Forms a clear, tough shield that protects the surface
- Allows you to keep the two-tone wood grain look for decades to come as opposed to repainting your siding with a solid body coating

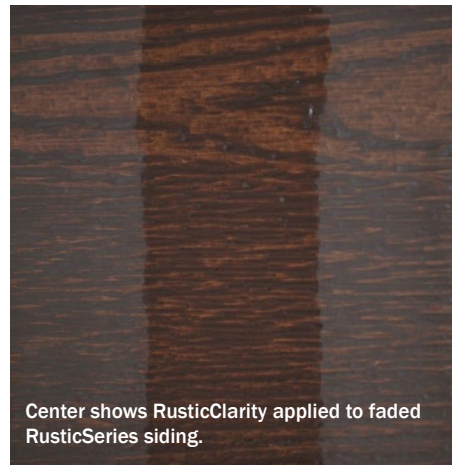

Simple and fast to apply for builders and homeowners alike.

- Simple roll on and back brush coating application
- Most cases require only one coat of RusticClarity
- No special tools required, just standard painting equipment
- 1 pail (5 gallons) will cover approximately 500 square feet of siding

Don't replace, revitalize.

- Save thousands of dollars versus re-siding or repainting
- Formulated specifically for each of our 18 RusticSeries colors
- Add value and beauty to your home simply and economically
