AbsoluteTimber™

Engineered Wood Products

Guaranteed Prime Lengths

The EWP process allows us to provide your order file with straight **16's and 20's**. No more random lengths.

WARRANTY

20 year warranty against manufacture defects.

ENGINEERED

3rd Party Certified by Intertek load ratings.

STRENGTH & DURABILITY

EWP manufacturing allows for unparalleled consistency.

Why Choose AbsoluteTimber™

Texture

Finished in premium rougher headed 4 sides.

Lengths

16' & 20' straight lengths.

100% Select Knotty Grade

100% Select tight knot grade Canadian WRC manufactured in North America.

Sustainable Supply

Produced from high-grade, short-length Western Red Cedar supporting long term supply.

Engineered & Kiln-dried

Engineered & kiln dried provides maximum stability, minimal splitting, checking, & warping vs solid cedar timbers.

Structurally Manufactured

Structurally manufactured using glulam industry standards in accordance with Intertek requirements.
