- 8"x8" (7½"x7½")

Mass Timber Code Compliance Associations

- WoodWorks Wood Products Council
- International Code Council
- American Wood Council

Use

Woodtone RealPost™ products are great for use as porch posts, on gazebos or pergolas, or as decorative posts.

Texture & Finish

Woodtone's RealPost™ is created from combed knotty SPF (spruce/pine/fir). The product is coated using a proprietary Hybrid Alkyd Emulsion primer by Sherwin Williams in either green or brown color.

Installation

Full installation guide available at woodtone.com/realpost-fire-resistant/

- Consult and follow all applicable local building codes
- Do not install defective material, review before install
- All trimmed ends must be re-sealed prior to install
- We recommend using connector products from Simpson Strong-tie, USP Structural Connectors or Tamlyn

Storage and Handling

Full Care and Maintenance guide available at woodtone.com/realpost-fire-resistant/

- Do not store pallets directly on the ground
- Ensure that slip sheeting stays between boards
- Use plastic wrap provided to keep the product dry
- Do not lift more than 2 packs by forklift at a time
- Do not stack pallets more than 3 high

Warranty

Woodtone RealPost™ Fire Resistant carries a 15-year limited warranty against manufacturer's defects. Visit woodtone.com/realpost-fire-resistant/ for full details.

Important Notes

- RealPost™ is manufactured from knotty SPF. Finished product will not be blemish free.
- On site topcoat is required for warranty to remain intact.
- Warranty does not cover natural occurrences like extractives, knot-bleed, variations in grain and color, knots, mineral streaks and pitch pockets.
- Installation will be considered final acceptance of product, review material prior to installation.
