### Colors

RusticSeries® Smooth is available in 8 two-tone colors.

- Amber Dusk
- Beachwood Bay
- Chestnut Grove
- Cinder Falls
- Prairie Bluff
- Sedona Sand
- Sunfire Bark
- Trailhead Timber

### Use

Woodtone RusticSeries® is used as exterior wall covering. This product is prefinished and available in fiber cement or engineered wood substrates.

### Texture & Finish

Woodtone RusticSeries® is applied to textured substrate only. The coating is manufactured by Sherwin-Williams and applied in a controlled factory setting.

### Trim and Caulking

Solid color trim suggestions and matching caulking available for each RusticSeries® Smooth color at [woodtone.com/rusticseriesmooth](http://woodtone.com/rusticseriesmooth).

### Installation

Install Woodtone RusticSeries® in accordance with:

- HardiePlank lap siding installation instructions
- Allura lap siding installation instructions
- LP SmartSide installation instructions

### Storage and Handling

Full Care and Maintenance guide available at [woodtone.com/rusticseriesmooth](http://woodtone.com/rusticseriesmooth)

- Do not store pallets directly on the ground.
- Ensure that slip sheeting stays between boards.
- Use plastic wrap provided to keep the product dry.
- Do not lift more than 2 packs by forklift at a time.
- Do not stack pallets more than 3 high.

### Touch-Up

Order touch-up online at [woodtone.com/store](http://woodtone.com/store).

- Check the touch-up color ordered is correct
- Mix paint well, do not allow paint to freeze
- Test the color on the sample piece or hidden area

### RusticClarity™

Woodtone RusticSeries® coating carries a limited 30-year warranty. Following, we offer RusticClarity™, a one coat application to bring back the vibrance of your siding.

### Warranty

Woodtone RusticSeries® carries a 30-year limited coating warranty in addition to the substrate manufacturer's warranty. Visit [woodtone.com/rusticseriesmooth](http://woodtone.com/rusticseriesmooth) for full details.

### Important Notes

- RusticSeries® replicates the natural beauty and warmth of real wood siding. Each substrate and profile will vary in terms of grain pattern and color.
- Woodtone will consider the installation of the product as final acceptance of the product.
- Improper installation of product will void warranty.

### Strategic Accounts/Large Job Quotes
